6.12 Customer Service Guarantee Waiver

Part 5 of the Telecommunications (Customer Service Guarantee) Standard 2011 (the CSG Standard) allows us to propose that you waive the protections and rights provided under the Customer Service Guarantee (CSG).

The CSG contains performance standards which carriage service providers such as us are required to fulfil (unless the customer has waived these performance standards). A complete version of the CSG and an explanation of its terms are available at the Australian Communication and Media Authority website (www.acma.gov.au).

The services to which the waiver applies are voice services delivered using the NBN including:

- NBN Broadband and Voice Bundles
- NBN Voice Only

The protections and rights you are waiving are:

1. The provision of written information

The CSG requires carriage service providers to at least every two years give written information to each customer about:

- the performance standards that apply to supply of specified services;
- the obligations of the provider under those standards;
- the customer's entitlements to damages under the Act for contravention of the performance standards; and
- rights to receive, on request, information about a performance standard.

2. Guaranteed maximum service connection periods

The CSG provides timeframes within which connection to services should occur.

3. Guaranteed maximum fault rectification periods

The CSG provides timeframes within which rectification of service faults should occur.

4. Making and changing appointments

The CSG requires carriage service providers to:

- make appointments with customers at times that are convenient for the customer;
- make appointments with customers that are either for a particular time of the day or to nominate a five hour period during which the appointment will occur; and
- Change appointments by giving at least 24 hours notice or by obtaining the agreement of the customer to the change.

If you waive your rights under the CSG you will not be able to claim compensation from us for any failure to meet the prescribed performance standards in relation to the supply of the service.

This waiver will take effect when you agree to the waiver as part of the application for the service. You may choose to not agree to a CSG waiver; however we will not be able to provide this service to you.

6.13 Authorisation

I have read and understood the Customer Service Guarantee Waiver and agree to the terms and conditions outlined in section 6.12 of this agreement. I acknowledge that I have been advised of the availability status of battery backup and have determined that the service is suitable for my needs.
